

Notice of Utility Application

The REGULATORY COMMISSION OF ALASKA (Commission) gives notice that on June 24, 2022, SEMCO Energy, Inc., and Alaska Utility Holdings Inc., a United States subsidiary of TriSummit Utilities Inc. (TSU) (collectively, "Applicants") filed an application requesting approval of the transfers of Certificate of Public Convenience and Necessity (CPCN) No. 4, held by ENSTAR Natural Gas Company, a Division of SEMCO Energy, Inc. (ENSTAR) to ENSTAR Natural Gas, LLC, and the transfer of CPCN 141 from Alaska Pipeline Company (APC) to Alaska Pipeline, LLC. ENSTAR Natural Gas, LLC and Alaska Pipeline, LLC are owned by TSU through its subsidiary Alaska Utility Holding Inc. Docket No. U-22-032 was opened to address this matter.

In conjunction, the parties to this application are filing an application for approval of TSU's acquisition of a 65 percent indirect interest in Cook Inlet Natural Gas Storage Alaska, LLC (CINGSA), holder of CPCN No. 733. CINGSA provides natural gas storage service. ENSTAR and APC provide natural gas distribution and transportation services. Information on the controlling interest transfer application can be found in Docket No. U-22-033.

The applications are part of a Proposed Transaction that will result in TSU replacing AltaGas Ltd. as the indirect owner of ENSTAR, APC, and the indirect majority interest in CINGSA. The Applicants assert that the Proposed Transaction itself will have no impact on utility operation and customer service, or rates. Mechanically, the Proposed Transaction requires the submittal of two separate applications, one for the transfer of CPCN and one for the transfer of controlling interest.

The Applicants have not filed a motion for waiver of any filing requirements. Applicants have requested confidential treatment for portions of the Proposed Transaction's Purchase and Sale Agreement (including portions of several Exhibits and Schedules covering non-public financial information, internal summaries and assessments of risk and liability, commercial agreements, and employment information). The Commission has not ruled on this request. Interested persons may file a response to the petition for confidential treatment with the Commission by 5:00 p.m. July 21, 2022.

The Commission has not assessed the completeness of the Application. If the Application is incomplete under 3 AAC 48.648, the Commission will reject the application. The Commission will determine whether the application is complete by July 18, 2022.

You may obtain information about this application by contacting John P. Wood, counsel for ENSTAR, APC, CINGSA and AltaGas Ltd. at Dillon & Findley, P.C., 1049 West 5th Avenue, Suite 100, Anchorage, AK 99501, (907) 277-5400, and Matthew T.
